

SERVICE PLAN FOR 20TH RAID DE HIMALAYA

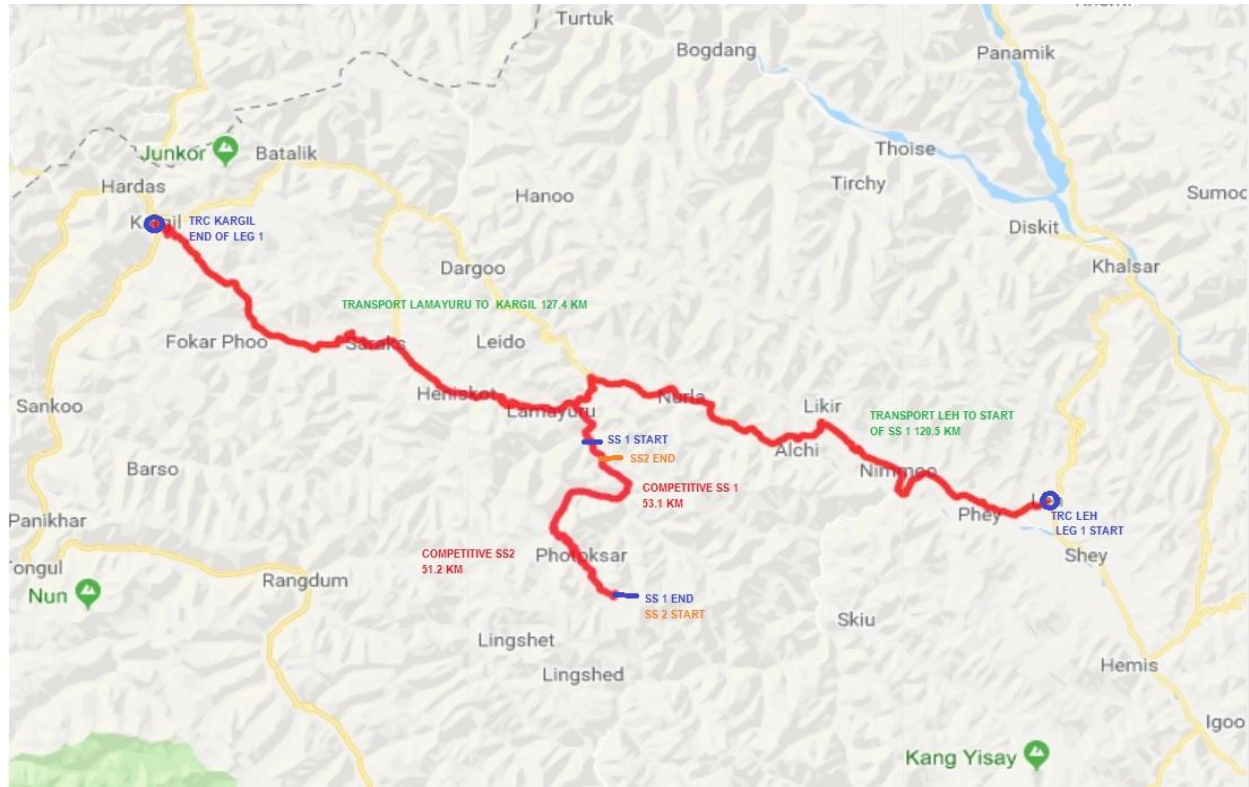

Welcome to the 20th Raid De Himalaya. This service plan is suggestive for the placement of your service vehicles. There are restricted zones where no service is permitted.

The following instructions must be followed by all registered service crews:

- Each service vehicle shall carry tarpaulin measuring 8'x10' and shall perform the required work of their team vehicles on such tarp.
- All oil, or dangerous fluid spills must be contained and soiled rags are to be disposed responsibly in containers.
- Post oil changes, the used oil must be secured in a sealed container and disposed in a designated bin. No oil, fuel or any other fluid shall be disposed into streams, rivers on ground.
- Any parts replaced, the old / worn out part has to be disposed in a designated bin.
- At all day and night service locations, the service crews are responsible to keep the area tidy.
- Since the event is gruelling and demanding, we understand that the hardworking service crew is short on sleep and not properly acclimatized. There have been incidents in the past where due to sleep deprivation/ tiredness etc. people have fainted.
- **Ensure your vehicle is a registered service vehicle with stickers displayed or else the competitors being serviced will be disqualified.**

10TH OCTOBER 2018 LEG 1 - LEH - PHOTOKSER -LEH

October 10, 2018

Leg 1: Leh – Photokser - Kargil

Transport stage(s):

- | | |
|------------------------|------------------|
| 1. Leh – Lamayuru: | 120.57 km |
| 2. Lamayuru – Kargil : | 133.01 km |

Competitive stage(s):

SS1: Lamayuru – Photoksar: **53.17 km**

SS2: Photoksar – Lamayuru: **45.49 km**

Fuel information:

Leh: Plenty of fuel stations are in Leh, bear in mind they shut down by 2200hrs.

Kargil: There are only two fuel stations in Kargil and they usually close by 2000hrs.

Service Vehicle 1:

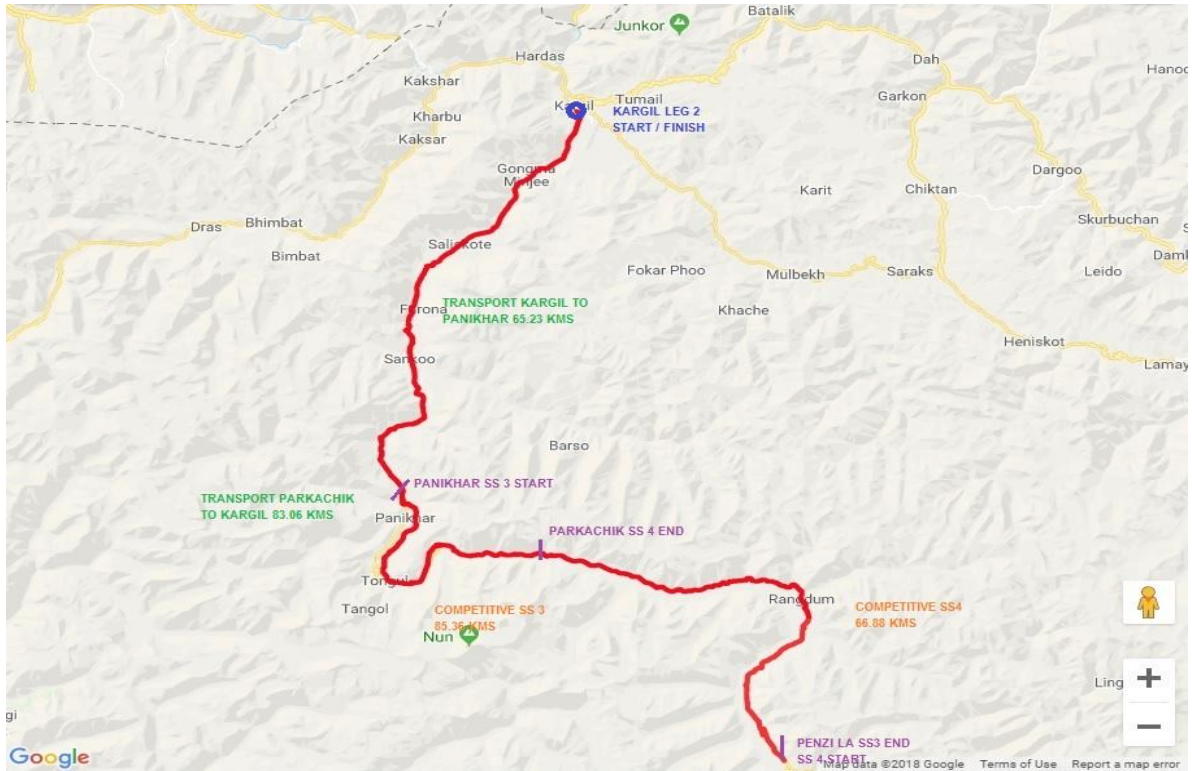

The service crew's must depart from Leh by latest 0100 hrs.

The first service car shall place itself at Photoksar, after stage end. Allow enough space for regroup. Ensure that your vehicle is not impeding the flow of regular local traffic or rally traffic. Once the last rally vehicle has been flagged off and TC is closed head to Kargil for end of leg service.

Service Vehicle 2:

The service crew's must depart from Leh by latest 0200 hrs. The car shall place itself at Lamayuru on the Srinagar – Leh Highway only. Wait until the car / moto returns from Photoksar. Upon completion of service follow competitor to Kargil. **No service is allowed between Lamayuru and start of SS1. No service vehicle movement shall be permitted on this route once the official teams are in place.**
